Dear Flying L Ranch Property Owner,

By signing below, you authorize the Flying L Ranch Property Owners Association, Inc. (POA) to mow the grass on the above lot(s) to remain in compliance with the Deed Restrictions and Covenants of the subdivision. **The cost of mowing is \$35 per lot per mowing.** The mowing amount was increased for 2024 due to increase in cost of fuel and maintenance. Mowing of lots will take place twice a year, usually in the spring and fall. Please note that depending on the weather, additional mowing may need to take place but you will be notified beforehand.

Please note that if your lot(s) has dead trees, cactus, trash shrubs or trees with low hanging branches, our tractor cannot easily mow your lot(s). You may be asked to clear your lot so it can be mowed by the POA or you may be asked to have someone else keep your lot mowed.

Please indicate your choice by checking one option below:
